[Small European nation becomes a living lab ... - MIT News](#)

Researchers from MIT Media Lab's City Science Initiative have used the small European nation of Andorra to prototype urban innovation, churning out inventions such as CityScope Andorra, a 3-D augmented-reality platform that visualizes complex urban data on a small-scale model of the country in real-time, the Persuasive Electric Vehicle (PEV)

[Innovation - Wikipedia](#)

Innovation can be simply defined as a "new idea, creative thoughts, new imaginations in form of device or method". However, innovation is often also viewed as the application of better solutions that meet new requirements, unarticulated needs, or existing market needs. Such innovation takes place through the provision of more-effective products
