Childhood and Adult Victimization ... - Gift From Within

Footnotes: 1 The terms victim and survivor are often used interchangeably; however, in this article, the former refers to persons who have endured through the event, but remain absorbed and constricted by the trauma, the latter, those who have learned through active post-event coping and associated growth..

MLA Formatting and Style Guide // Purdue Writing Lab

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on
